2. Date: 31/05/2020
3. Organized by: Department of Chemistry, B.N. College, Dhubri
4. Name of Judges:
 - 1) Dr. Sanchayita Rajkhowa, Asstt. Prof., Dept. Of Chemistry, Jorhat Institute of Science& Technology, Jorhat- 785010, Assam(India)
 - 2) Anupama Rani Das, Asstt. Prof., Dept. Of Chemistry, B.N. College, Dhubri-783324, Assam (India)
5. Number of Participants/students: 42

6. A brief Write up of the programme: The above mentioned online poster competition was aimed to celebrate the Anti Tobacco Day on 31st of May along with the other parts of the world. Because of the pandemic COVID-19, to stay safe, this year we have decided to celebrate the occasion from home with an online poster competition on the TOPIC: "THE IMPACT OF THE USE OF TOBACCO ON OUR YOUTH" amongst the major students of Chemistry Department, B.N. College, Dhubri.

As we know youth are the future of our country, so as a society, we can no longer allow our young peoples' health to go up in smoke. We must work together to prevent teens and young adults from using tobacco and we must help those who start using tobacco to quit. In doing so, we will help young peoples' life longer and healthier than the generation who came before them.

There were altogether 42 students, who took part in the competition and demonstrated their idea in e- poster with video explanation and as such the objective of the competition was achieved. The entire faculty members of the department and judges actively participated in the evaluation process of the competition and finally the H.O.D. on behalf of the department announced the result.

7. Result:

- | | |
|--------------------|--|
| 1st Prize winners: | 1) Annwasha Guha, B.Sc 6th Sem |
| 2nd Prize Winners: | 1) Mahfuz Ahmed, B.Sc 4th Sem,
2) Shubroto Paul, B.Sc 4th Sem |
| 3rd Prize Winners: | 1) Aynal Hoque, B.Sc 2nd Sem,
2) Gaurab Roy, B.Sc 6th sem |
