8. A brief note of the Programme (with web snaps/photo):

Extension activity is one of the important academic activities which help the students acquire knowledge to share their feelings and experiences with others. This is an integral part of education in the present era. The faculty members of the department of Arabic as well as B.A. 3rd and 5th semester Honours/Major students have organised an Extension and Awareness programme at Matirchar High School on the topic “Awareness on Arabic Study in Higher Education.”

At the outset of the programme the faculty members are delivered their valuable speech on the very topic. Thereafter the students of B.A. 3rd and 5th semester has taken classes of class ix (nine) and x (ten) on Arabic subjects. After all it is observed that most of the students of the said School are motivated to Arabic and come to know the importance and objectives of Arabic Study. Henceforth, the students are given commitment that they would take Arabic subject in their future higher education.
