A brief write up of the Programme:

The on line speech competition has been organized by the department of economics B.N. College, Dhubri on 7th June 2020. Students from the departments of Physics, Chemistry and Economics participated in the competition by sending video recording of their speech. The Topic of the programme was “Food Safety is a key to achieve good health and sustainable development.” In their speech the participants explained in brief the importance of food safety on health and how it brings sustainable development. They also explained the importance of food security without which food safety is meaningless. After the judgment, the department of economics has selected the following participants as winners- the first prize has been won jointly by Ambika Dutta, BSc 4th semester Chemistry Major, Roll no 289 and Abida Parvin, B.A.6th semester Economics major, roll no 161, second prize won by Pranab Kumar Paul, BSc 4th semester, Physics Major, roll no 40 and third prize won by Hitesh Chandra Roy, BSc 6th semester economics major, roll no 198.. The results have been declared in the B.N. College Whatsapp Group. The prizes will be distributed after the college reopens. The video record of the speech competition is to be submitted to the IQAC, B.N.College.
