1.1 Introduction

In its endeavor to ensure quality teaching and effective curriculum delivery in the institution, B.N College, Dhubri collects annual feedback from the final semester students.

1.2 Objective of taking Feedback

Improved Teaching, Improved Learning. Feedback is an essential part of teaching learning and curriculum delivery process of an institution. It helps learners to maximize their potential ai different stages of learning, raise their awareness of strengths and areas for improvement, and identify actions to be taken to improve performance. This is an important where teacher can improve his/her teaching process that will ultimately benefit the student. The feedback from different stakeholder, help the institute to understand the need of student fraternity and what other stakeholder expect from the institution.

1.3 Process of Collecting Feedback.

To ensure greater transparency in the feedback collection the college has been following online feedback system since 2019-2020. Accordingly, the final semester students were asked to submit their feedback by logging into the online portal. The link of the feedback portal is pasted below-
