<b>About the Programme</b>	<p>The Institution's Innovation Council (IIC), B.N. College, Dhubri, Assam has organized Day-01 Lecture Series under IIC Impact Lecture Scheme on “Designing Creativity and Critical Thinking as Survival Strategy” dated 23<sup>rd</sup> September, 2021 (via Zoom Meet platform) from 11:30 AM to 1:30 PM. The main objective of the programme was to guide the students to conquer their goals with regards to creative and critical thinking. The programme has been started with the inauguration speech by Dr. Dhruva Chakraborty, Principal and President, IIC, B.N. College. In his inaugural speech, Dr. Chkraborty has highlighted the importance of such programme for the motivation of students. He also spoke on the significance of Institutional Innovation Council in Higher Educational Institutions. Mr. Anjan Chowdhury, Faculty Development Trainer, Founder, Skillfinity has been invited as the resource person for the lecture programme. Mr. Chowdhury has delivered his speech to find keys of the topic concerned. The students have raised significant</p>

queries during the interaction sessions and the resource person have successfully cleared their doubts.  
At the end of the programme feedback has been collected from the participants and e-certificates have been issued.
