**4. Number of Participants:** 79

**5. A Brief Write-up of the Programme:**

A Lecture Programme on **Student-Teacher-Relation in the Context of Modern Education**, organised by the Sanskrit Department in collaboration with Alumni Association, B. N. College, Dhubri on 21.12.2020 at 2 pm in the Digital Classroom of the College. Prof. Sudeshna Bhattacharjya, Professor, Deptt. of Sanskrit, Gauhati University and a prominent Alumnus of B. N. College, graced the occasion as Resource Person. The Programme was presided over by Dr. Dhruva Chakraborty, Principal, B. N. College. After Felicitation, the Principal of the College delivered his Welcome Address. Altogether 79 participants including both the teachers and students of the College attended the Lecture Programme. To enlighten the students with the amiable teacher-student relationship of ancient India and its relevance in the present-day education was the main objective of organising the programme. Prof. Sudeshna Bhattacharjya in her speech highlighted that the relation between the teacher and the taught is the backbone of an educational institute. She also stated that the New Education Policy has given importance on the ancient ideas and ideals for creating a good academic environment in the existing educational institutes of India. At last Dr. Gautam Chandra Roy, Asstt. Prof., Deptt. of Political Science & Co-Coordinator, IQAC, B. N. College, offered vote of thanks and the programme came to an end.
