Every person should have their freedom to enjoy not only primary rights but also the Intellectual Property Right (IPR). This right of Intellectual property is very much important in academic sectors. Therefore, the department of Physics B. N. College, Dhubri under DBT star college scheme organised a one day workshop on the same in 05/12/2019. The main aim of the program was to make aware and protect the IPR of faculties in academic as well as research work.

The workshop has started at 11.30 A. M. in the above said date with a small introductory session. In the program Mr. Debashish Dutta, Scientist-B, Patent information centre, ASTEC, Assam (Under Dept. of Science and Technology Govt. of India) has acted as a resource person. Also, in the session Principal of the college delivered a welcome address to the participants of the workshop.

The workshop was divided in three consecutive lectures in which the resource person first covered the introduction of IPR as well as its relation with society and economy. The second lecture was detailed about patent followed by another lecture on copy right.

At 2.00 P. M. the workshop was break for a walking lunch and all were resembled in the hall at 2.30 P. M. The after lunch session was interaction session and finally at 3.15 P. M. the workshop was opened for valedictory session. At the last the H. O. D, Physics, offered vote of thanks.

For smooth operation of the workshop the departmental co-ordinator DBT star college, Physics would like to thank “Research and Placement cell”, B. N. College, Dhubri for their help in participant registration process. Also, the all round help that obtained from Principal, B. N.
