

Report on the Lecture Scope and Opportunities of Hindi

Date: 06/08/2024

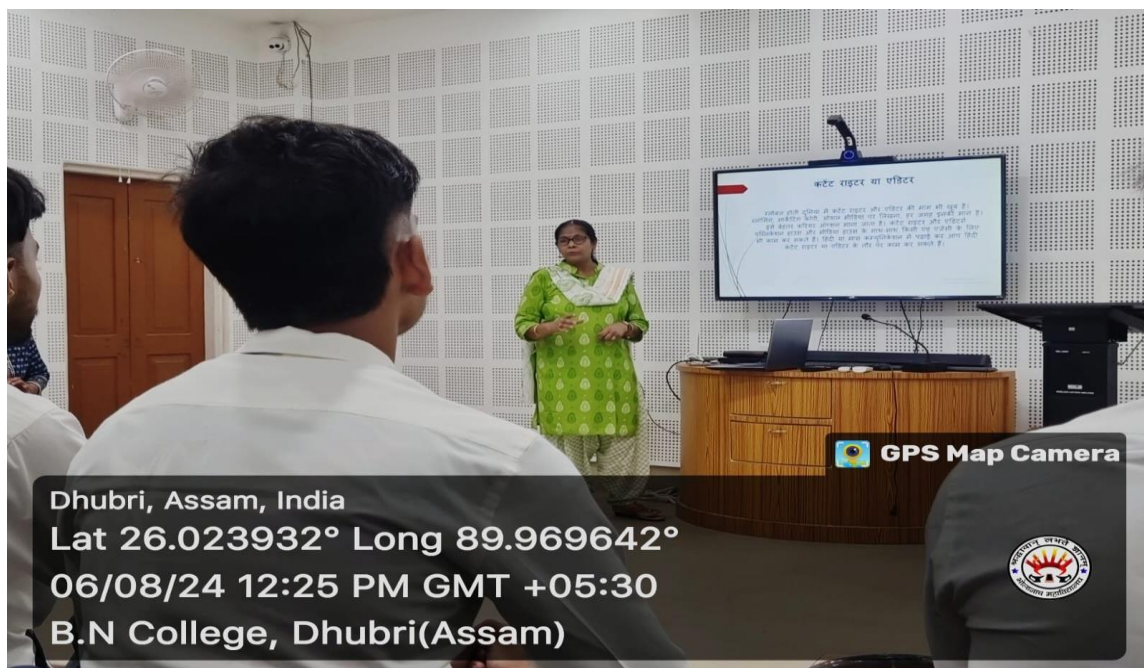

Class: B.A. 1st Semester

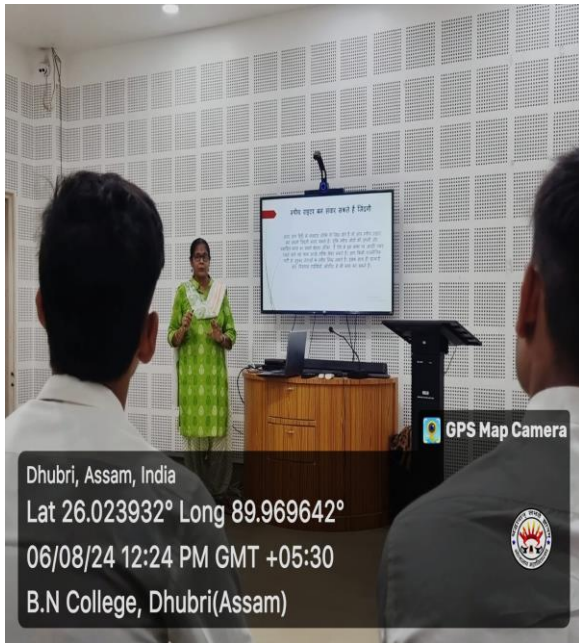

Department: Hindi

Faculty: Sangita Singh Roy

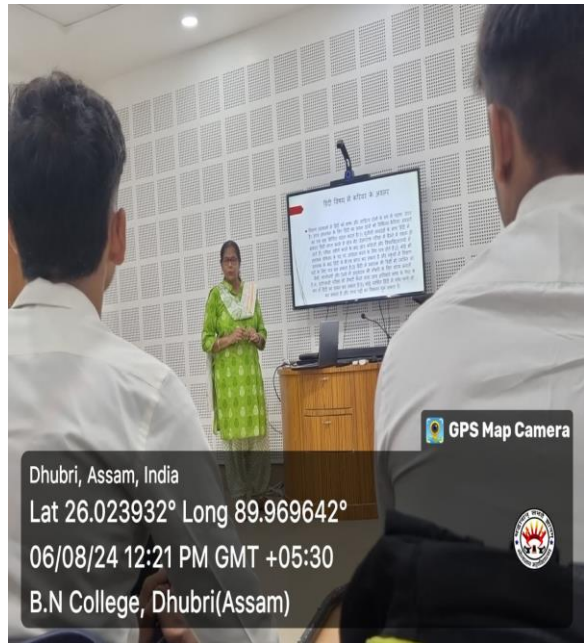

A lecture on scope and opportunities of Hindi was provided to the 1st semester students of B.A. both major and minor before the commencement of formal class. Through this lecture, information is given on how the knowledge of Hindi will help the students to move ahead in life and how they will be able to use it in the practical world. After studying Hindi, any student becomes capable of pursuing higher education. Apart from India, they can also make their career in foreign countries also. After studying Hindi at graduation level, one can get a chance to work in media, film, industry, bank etc. Students can work as Hindi officers, translators, managers, sub-managers, stenographer etc. in most of the departments of the Central and State Government with knowledge of Hindi. Overall this class was beneficial for the career of BA Hindi students.
