7. A brief write up of the program(with web snaps/photos): A peer class was held on 3rd November, 2022 at 9:15 am, where Sujan Mondal, a student of B.Voc(IT) 1st Semester as well as an advanced learner was assigned to take the class for the students of the same class. The class was attended by 7 no. of students, where he delivered a lecture on the topic “**Components of a Computer**”. The main objective of the class was to empower the students with the skills of classroom teaching and also to develop the personality of the students. The students interacted with Sujan Mondal, who acted as Teacher. They also gave a very nice feedback about the class. Dharitri Sarkar, Assistant Professor of the Department of Information Technology remained present in the class as an observer and gave her final comment.
