

Report of the in- house Lecture on Prevention of Plagiarism held on 06. 09. 2018

An in-house lecture programme on 'Prevention of Plagiarism', organised by Research Cell, B. N. College, Dhubri, was held in the Digital Classroom of the college on 06. 09. 2018 at 3-15 pm. This programme was organised exclusively for the teachers of the college. The main aim of the programme was to create awareness among the teachers for the promotion of Academic Integrity and Prevention of Plagiarism in the Higher Educational Institutions as per the guidelines of the UGC. Dr. Susmita SenGupta, Associate Professor, Deptt, of Chemistry & Co-ordinator of Research Cell, B. N. College, Dhubri, as a Resource Person presented the topic before the teachers of the college. Altogether 50 numbers of teachers were present on the occasion.
