

## A Report on Covid-19 Pandemic Awareness Programme along with Mask distribution in the adopted Villages

B N College has organised a series of Awareness Campaign on Pandemic Covid-19 and Mask distribution Programme in its five adopted villages viz Asharikandi, Madaikhali, Matiabog, Birsing Pt I and Debottar Hasdah Pt V under the Unnat Bharat Abhiyaan Sponsored by Ministry of Human Resource Development, Govt. of India. On Sunday, 11<sup>th</sup> of October, two teams from BN College visited Birsing Part I and Debottar Hasdah Part V, one each. The first team that visited Birsing Part I was led by the Extension Cell, BN College and around 150 peoples participated in the programme, whereas in Debottar Hasdah, the team was led by the NCC Unit and approximately 300 people were present in the programme.

The main motto of these programmes was to create Covid-19 awareness among the villagers and mask distribution. Moreover to inform the villager that their villages is being adopted under the Unnat Bharat Abhiyaan, Ministry of Human Resource Development, Govt. of India, and to make them familiar about the schemes that comes under Unnat Bharat Abhiyaan. The programmes were quite successful. Many of the villagers actively participated in the programme and discussed upon their problems in agriculture, finance, women literacy etc. Some of the topics that were raised are agriculture in wetlands, mushroom cultivation, pearl cultivation, women literacy camp etc.
