

### About the college

B. N. College, Dhubri has the privilege of having a healthy, harmonious ambience and rich values which have played pivotal role in shaping the future of innumerable students. Our mission is to transform students into rational thinkers, competent workers, law abiding citizens and spiritually enlightened individuals. This is our firm belief that the rich values and traditions imbibed here would carry you to great heights.

The vision of B. N. College is to provide quality higher education with an attempt to inspire, prepare, and empower students of its catchment area to succeed in a changing world.

### About the program

Science is a beautiful gift to the humanity. A life without science is an unfulfilled existence. Not only having scientific temper is important, but to nurture them, express them, share them, and implement them is what makes a difference in this world. Keeping it in mind, B. N. College is organising "VIGYANAM: The annual science fest of B. N. College". VIGYANAM aims to develop ignite minds to think, design and carry out scientific investigations and evaluate scientific evidence to draw conclusions.

As the organising team, we encourage you to participate in the event because we believe that the science of today is the technology of tomorrow.

# VIGYANAM 1.0
